## Allies Will Invade Europe "Within Nine Months;" Plan Offensive Against Japan's Far-Flung Forces

### DISCUSS WATER FIRM PURCHASE; PUC TO PROBE RATE FAIRNESS

Harrisburg, Feb. 11 (AP)—The Public Utility commission today instituted an inquiry on its own motion to determine the fairness of the rates of the Gettysburg Water company, of Gettysburg. The investigation will include consideration of the imposition of temporary rates.

"If the people of Gettysburg were familiar with the facts surrounding the proposal for the purchase of the water company, they would be for it 100 per cent. The town has everything to gain and nothing to lose."

That declaration was made by one member of the borough council at the close of an informal two-hour conference, Wednesday evening, between a group of borough officials and John H. Ware, Jr., Philadelphia, principal owner of the local water company.

Mr. Ware renewed his offer to turn over the water company to the town—represented by a borough council—with the property to be paid for over a period of from 15 to 40 years out of water company revenue.

#### Does Not Want Cash

The owner discussed terms of the offer he made before council last month. The offer was unchanged and Mr. Ware told the group of five councilmen and Burgess Fred G. Pfeffer and E. V. Bullett, Esq., borough solicitor, that he had no other terms to make. "The property is not for sale for cash and I would rather continue to own it than sell it on any other basis. I bought it as an investment. The best recommendation I know for the plan I offer is that it has worked out to the satisfaction of everyone concerned in towns where it has been tried," Mr. Ware stated.

With Burgess Pfeffer acting as chairman of the gathering, Councilman Ray M. Hoffman, chairman of the finance committee, opened the discussions with Mr. Ware by stating that council favored a 3 per cent bond issue but felt that the public here would regard a \$550,000 bond issue for the property as "too high."

#### Optional Bond Issue

The owner reminded him that the total amount of the bond issue is not important but can be changed in relation to the rate of interest and the maturity dates of the bonds. "The bonds will be paid out of the revenue of the company," Mr. Ware repeated. "When the people pay their water bills they will be paying off the bonds. The bonds aren't a borough obligation but when they are paid off the town will have a \$300,000 annual income from the property."

Mr. Bullett said he believes the "plan is good" and that council would be following "sound business practices" to acquire municipal ownership this way.

Burgess Pfeffer explained to Mr. Ware that when he (Ware) acquired the water company he inherited a lot of "local ill-will" brought upon the company by some former owners who watered stock and performed financial juggling feats that resulted in financial losses to local residents."

The burgess also pointed out that "mistaken ideas" of the value of the local water company property are prevalent here. "While many people here know that the water

### Public Invited To Peace Plan Address

The public has been invited to attend a meeting at the YWCA building on Friday evening at 7:30 o'clock when Eric K. Diehl of Hanover will present the Ely Culbertson "World Federation Plan." An open forum period will follow his talk.

Announcement of the plan describes it as "offering a comprehensive blueprint for world settlement based on the total victory over Nazi Germany and her allies—it is a plan to win the war and the peace that will follow."

Wanted Waitress or Clerk. Apply The Sweetland.

### 81 College Students Are Called To Service Today

Eighty-one Gettysburg college students, members of the Army enlisted reserve corps, were ordered to report for Army duty on Saturday, February 20, by the Third Service Command, Baltimore.

Herbert and Harvey Smith, 18-year-old sons of Mr. and Mrs. Charles H. Smith, West Broadway, are among the local and county boys who received their induction orders. The twins are freshmen and graduated from Gettysburg high school last June. They have been ordered to report to New Cumberland, February 20. The youths will be 19 years old on June 19.

#### West Point Appointee

Another county youth on today's list is George E. Sheffer, Jr., a freshman chemistry major, son of the Rev. and Mrs. George E. Sheffer, of New Oxford, who has been appointed to the U.S. Military Academy at West Point where he was scheduled to begin training July 1.

Young Sheffer, who graduated last May from the New Oxford high school, had passed mental and physical entrance tests for West Point last year and had been ordered to Washington, D. C., for a final checkup in April. Upon his enlistment in the Reserve, he had been promised a discharge from that branch of the service when he was

### CRIPPLED TOTS' SOCIETY NOT TO SEEK FUNDS

The Adams County Society for Crippled Children will not hold its spring campaign for funds this year. That decision was announced following the society's annual organization meeting in the Hotel Eberhart Wednesday afternoon.

Dr. R. S. Saby was re-elected president for his second term and these other officers were chosen: Dr. G. C. Bassett, vice president; C. A. Willis, treasurer (re-elected); and Miss Helen Chamberlain, secretary.

Members of the board follow: From Gettysburg—Dr. Bruce N. Wolff, Dr. Bassett, Mrs. John S. Rice, Fred G. Pfeffer, Miss Margaret McMillan, Miss Catherine Wagaman, George Eberhart, Mrs. Mildred Shover, the Rev. Dwight F. Putman, Mrs. Verna Myers, Miss Chamberlain, Mrs. Charles H. Huber, Mrs. Mildred Eden and Miss Dorothy Warner.

**County Members**  
From the county—C. P. Keefer, New Oxford; Mrs. Elizabeth Shiebel, Hanover R. 4; Charles M. A. Shildt, Taneytown; Mrs. Quincy Hershey, York Springs; Mrs. Edwin Snyder, New Oxford R. 3; Mrs. Ira Henderson, Fairfield; Mrs. Edna Sterner, Hanover R. 3; Mrs. P. I. Topper, McSherrystown; Mrs. Maud Weirman, York Springs; Mrs. Raymond Oyster, Biglerville; Mrs. Donald Coover, Littlestown; Mrs. J. R. Riden, Littlestown; Mrs. Harvey B. Raffensperger, Arendtsville; and Hugh C. McIlhenny, Gettysburg R. D.

The report of the society's treasurer showed a balance of \$696 after expenditures totaling \$464 during the year.

President Saby called on countians to notify the officers of the society of any crippled or deformed children who require attention.

#### PARENTS' NIGHT

Parents' Night will be observed this evening by Troop 77 of the Boy Scouts at their meeting place in the basement of the Methodist church. A program has been planned that includes presentation of American and troop flags, entertainment by the patrols and a board of review. Vernon Corle, a member of the Rotary-Lions sponsoring committee, will preside. The program will begin at 7:30 o'clock.

#### ENLISTS IN WAVES

Miss Julia Gebhart, daughter of Mrs. Lilla Gebhart, McSherrystown, and a graduate of Delone Catholic high school, has received notice from the Navy department to report to Hunter college, New York, next Wednesday, to begin training with the WAVES. Miss Gebhart took her final examination January 4.

Radio service, Baker's Battery Service.

### FIREMEN WILL COLLECT CANS IN GETTYSBURG

Members of the Gettysburg Fire company at their February meeting Wednesday evening offered their services in the tin can salvage program in Gettysburg, voted to purchase a \$500 war bond out of their general fund balance, and voted contributions to three local organizations.

Dr. J. Walter Coleman, Gettysburg salvage committee chairman, appeared before the company and outlined the plans for periodic collections of tin cans in the borough. "The salvage drive has made good headway in Gettysburg but much yet remains to be done. The campaign needs the backing of an organization that will help push it," Doctor Coleman stated.

#### Offer Six Trucks

The firemen voted unanimously to offer their services and six trucks were made available to help in the first town-wide collection to be made next Tuesday evening beginning at 6 o'clock. If it rains that evening, the collection will be made Wednesday, it was decided. It is important that the cans be kept dry, Doctor Coleman explained.

B. W. Hummer, Fred G. Pfeffer, the Gettysburg Water company, Cyril Staub, and the Citizens' Oil company offered trucks and Burgess Pfeffer told the firemen he believed the town council will allow use of a borough truck or of the service truck at the engine house.

The \$500 bond purchase is the second made by the local firemen and brings the company's war bond holdings to \$1,000. The bond will be paid for out of the general fund which now contains between \$1,800 and \$1,900.

The Red Cross was voted \$25 for its War Fund drive which soon will open and \$5 each was voted to the Veteran Firemen's association and the Boy Scouts.

#### Elect 4 Members

Four men were elected to membership in the company. They are William E. Knox, grocer at South and South Washington streets; Francis "Bud" Knox, 50 York street; J. Fred Diehl, Jr., North Stratton street, and Raymond E. Menges, Seminary avenue. The elections brought membership to 127—two above the constitutional limit of 125—but it was explained that the new men will help keep the company strength at normal while eight members are absent on duty with the armed forces.

It was announced that delivery has been made of the fire company service flag bearing eight stars—with additional stars on hand to be added as other members of the company join the armed forces.

Secretary S. Richard Eisenhart read letters—one of them a V-mail message—from two members of the local company who are serving in (Please Turn to Page 2)

### MRS. EMMA GITT DIES SUDDENLY

Mrs. Emma F. Gitt, 77, widow of Robert S. Gitt, died very suddenly about 4:45 o'clock, Wednesday afternoon, at the home of Miss Emma Forrest, North Queen street, Littlestown, where she had lived for a number of years.

Dr. C. G. Crist, Adams county coroner, attributed death to cerebral embolism. Mrs. Gitt was sitting in a rocking chair in the living room of the Forrest home when she was stricken. Her body was found about 5:30 o'clock by Miss Forrest. She was away from her home on an errand when Mrs. Gitt was stricken.

The deceased was a daughter of the late Leonard and Mary J. (Pearson) Waller and was born in Marietta, Lancaster county. The only survivors are nephews and nieces. Mrs. Gitt was an active member of the Littlestown Methodist church.

Funeral services Saturday afternoon at 1:30 o'clock from the home of a nephew, John G. Waller, 844 Walnut street, Columbia. Interment in the cemetery at Paxtang.

Friends may call Friday evening from 7 to 9 o'clock at the Little funeral home in Littlestown.

Radio service, Baker's Battery Service.

## Half-Million Men In Africa Ready To Smash Axis Forces; Make Enemy "Burn, Bleed Every Way Possible"

By The Associated Press

A concerted United Nations offensive against Japan was foreshadowed today with the official disclosure that high-ranking American, British and Chinese met and agreed on "offensive plans" against Japan's far-flung invasion armies.

The British government announced in London that Field Marshal Sir John Dill, representing Prime Minister Churchill, and Lieut.-Gen. Henry H. Arnold, representing President Roosevelt, had held a series of conferences with China's Generalissimo Chiang Kai-Shek in Chungking and with Field Marshal Sir Archibald P. Wavell in India.

A British communique said the fullest possible coordination would be insured by subsequent conferences between Marshal Wavell and Gen. Douglas MacArthur, Allied commander-in-chief in the southwest Pacific.

#### Drive to Salamaua

Amid this augury of heavier United Nations blows to be delivered against the Japanese, dispatches from the New Guinea battlefield reported that Allied troops had killed nearly 800 Japanese in a 13-day drive toward the big enemy base at Salamaua.

Gen. MacArthur's headquarters said the Allies, in a sudden display of offensive power, had thrown the main Japanese force back six miles toward Salamaua, killing 125 of the enemy.

Front reports said that what started out as a surprise Japanese attack on the Allied air field at Wau, 35 miles southwest of Salamaua, was turned into a victory for Australian infantry and artillery flown to the jungle scene by American pilots in army transport planes.

After routing the enemy, the Australians pushed on six miles beyond Wau and captured Wandumi.

#### Army Perished

Simultaneously, Gen. MacArthur scoffed at a Japanese communique "attempting to minimize the sweeping victory which the Allies won last month in the Papuan campaign" in lower New Guinea.

Challenging Tokyo's assertion that Japanese forces left the Papuan battle zone after accomplishing their mission, Gen. MacArthur declared: "There was no evacuation of Japanese from Buna at the end of January. At that time, the last scattered remnants of the enemy were so surrounded that evacuation was no longer possible."

"Gen Horii and his army perished."

### BULLETINS

#### Assistance Board Loses Third Member

An important meeting of the Adams county Board of Public Assistance is being held this afternoon in the board offices, North Washington street. The session convened at 2 o'clock. Mrs. Mary K. McClean, vice chairman, has been acting as chairman since the resignation last year of James B. Aumen.

Robert P. Smith, McSherrystown, has submitted his resignation as a member of the board, it was learned today, but he could not be reached for a statement. The four remaining members of the board that originally numbered seven are: Mrs. McClean, Mrs. Maude S. Saby, secretary; Joseph P. Weaver, Littlestown, and B. E. Benner, Iron Springs.

#### Hospital Report

Mrs. Dale Lawver, Biglerville, and Mrs. Anna K. Baker, 15 Buford avenue, have been admitted as patients to the Warner hospital. Those discharged included Conrad Guise and Glenwood Goehner, both of Biglerville; Mrs. Fred B. Uhrich and infant son, Frederick Benjamin, Jr., East Lincoln avenue; Mrs. Mary Welty, Emmitsburg; Mrs. Eugene Warthen and infant daughter, Monica Seton, Emmitsburg; Miss Letha Cullison, Gettysburg R. D., and Mrs. Clarence Rogers, 114 Chambersburg street.

#### BIRTH ANNOUNCEMENT

Mr. and Mrs. Edgar Harbaugh, Fairfield R. 1, announce the birth of a daughter at the Waynesboro hospital Wednesday morning.

All \$8.95 wool and corduroy dresses reduced to \$5.95. Helen-Kay Shop, Chambersburg Street.

Washington, Feb. 11 (AP)—The Federal Trade commission today announced issuance of a complaint charging the American Refractories institute, Pittsburgh, and 39 corporations with conspiring to fix prices and eliminate competition in the sale of bricks and other refractory products.

Washington, Feb. 11 (AP)—All organized Japanese resistance has been halted on Guadalcanal, and United States planes are attacking enemy bases in other parts of the

(Please Turn to Page 2)

By ROBERT E. BUNNELLE

London, Feb. 11 (AP)—Prime Minister Churchill declared today that the Allies had landed nearly a half-million men in Africa and planned an offensive campaign during the next nine months with the goal of engaging the enemy "on the largest possible scale and at the earliest possible moment."

In a war review vibrant with his usual fighting spirit and brightened by unusual optimism, the Prime Minister brought back from the Casablanca unconditional surrender conference the news of a new unification of command in North Africa and the pledge that Europe would be invaded as soon as the United Nations were ready.

These were highpoints of his address to the cheering House of Commons:

#### Under Eisenhower

1—As the British Eighth Army moves into Tunisia, the north African command is unified under the American commander, Lieut. Gen. Dwight D. Eisenhower, with Gen. Sir Harold Alexander second in command, and with Mediterranean air forces under British Air Vice Marshal Sir Arthur Tedder, and sea forces under Admiral Sir Andrew Browne Cunningham.

2—The Allies are more than holding their own in the U-boat warfare, with a million and a quarter more tons of shipping available now than six months ago, with losses of the past two months at the lowest figure in over a year, and with the best rate of U-boat sinkings so far in the war.

3—Churchill will meet again with President Roosevelt within the next nine months. The prime minister disclosed that the President had been willing to go as far as Khartoum, Egypt, to bring Premier Stalin into the January conferences, but that Stalin was too engaged with Russia's mighty winter drive to leave his country even for a day.

#### To Battle Japan

4—Britain has offered to embody into a "special treaty" her pledge to help carry the war against Japan on to unconditional surrender, but had President Roosevelt's answer that "the word of Britain was quite enough for him."

Churchill's speech emphasized that the Allies were preparing to strike. Churchill, received with loud cheers, said "the dominating aim which we set before ourselves in the conference at Casablanca was to engage the enemy's forces on land, sea and in the air on the largest possible scale and at the earliest possible moment."

"Burn, Bleed Enemy"

"We have to make the enemy burn and bleed in every way that is physically and reasonably possible, in the same way as he is being made to burn and bleed along the vast Russian front from the White sea to the Black sea," Churchill declared.

Of the war against U-boats, he said: "Progress is being made. We are holding our own and more than holding our own." "In the last six months," he asserted, "Anglo-American and important Canadian new building (of ships) exceeded all the losses of the United Nations by over one and a quarter million tons."

#### Fleet Is Larger

"That is to say," he added, "our joint fleet is one and a quarter million tons bigger today than it was six months ago."

Churchill said he intended to "leave the enemy guessing at the real figures" in the U-boat warfare —"to let him be the victim of his own lies."

"We have had hardly any losses in our heavily escorted troop convoys, and out of about three million souls who have been moved under protection of the British Navy only 1,348 have been killed or drowned, including the missing."

"The rate of killing of U-boats has steadily improved," he said. "From January to October, 1942, inclusive, a period of ten months, the rate of sinkings certain and probable was the best we have seen so far in this war."

(Please Turn to Page 7)

## PREDICT 1943 CROP EQUAL OR LOWER THAN '42

Food production on Adams county farms this year will likely be held down to 1942 levels or below by current and threatening shortages of farm labor and supplies, it was indicated in a survey completed today by the Pennsylvania Agricultural Information Committee.

The county study was part of a state-wide "farm opinion" survey covering 33 agricultural counties, questioning 213 operators of typical farms ranging from 30 to 500 acres producing livestock, dairy products, poultry and eggs, potatoes, truck crops, general farm crops and vegetables.

R. N. Benjamin, executive secretary of the Pennsylvania Farm Bureau Federation and chairman of the information committee, reported that 101 of the operators predicted a drop in production in their areas from last year, 57 estimated that it will be about the same and 21 were uncertain. Only 34 predicted an increase, and most of these qualified their predictions by pointing out that the increase will depend on the availability of men, machines and supplies, it was shown.

**County Opinion**  
In Adams county, four of the nine farm operators questioned predicted production in the county will be no more than in 1942, three predicted a decrease and one was uncertain. Only one predicted an increase.

"In view of the fact that farmers have been asked to produce far more than in 1942 to meet civilian, military and lease-lend requirements, results of this survey indicate only one thing—that food production in Pennsylvania will be dangerously low unless immediate steps are taken to remedy the labor and equipment supply situation," Benjamin asserted.

With manpower shortages cited by growers as the most serious handicap to production, the fact that farm boys don't want to be classed as "slackers" was shown to be one important reason for the critical nature of the labor situation.

## SCORES LEWIS DEMANDS FOR PAY INCREASE

Washington, Feb. 11 (AP)—Forecasting a major battle to preserve price and pay ceilings, Senator George (D-Ga.) asserted today that the government cannot afford to accede to the demand of John L. Lewis and the United Mine Workers for a \$2 daily increase in coal miners' wages.

George, whose views often are shared by a sizeable bloc of veteran Senators, told reporters the approval of any increase which would break through the wage ceilings based on the "little steel" formula would mean collapse of all wage and price controls.

"This whole thing is shaping up into a major battle that the people can't afford to lose," the Georgia Senator asserted.

**Backs Up Byrnes**  
He said he is "heartened by the firm stand" taken by James F. Byrnes, economic stabilization director, in a radio address Tuesday night against any general increase in wage scales.

"That is a position Congress ought to sustain 100 per cent and a position which I believe between 85 and 90 per cent of the people support," George declared.

Lewis, he continued, "occupies a position of advantage from which he may be able to drive the American Federation of Labor and the Congress of Industrial Organizations into line with him" on demands for wage increases.

"This demand cannot be acceded to by the government," George declared. "Regardless of what any union group may say or do about it, a break in the wage ceiling would mean that the whole system of price controls would go out of the window."

## Young War Worker Held For Murder

York, Pa., Feb. 11 (AP)—Kurin Elwood Cassel, 25-year-old war plant worker, was held on a charge Wednesday of murdering his wife, Flossie, 30, mother of two children.

Assistant District Attorney Robert I. Shadle said Mrs. Cassel was fatally stabbed in her home Tuesday. Her husband walked into the county jail and surrendered to Warden Joseph McClain.

Shadle said Cassel declared in a statement that his wife constantly nagged.

## COUNTY DRIVER FINED

Ivan Cassatt, Gettysburg R. 1, was charged before Magistrate J. S. Gilliam, Chambersburg, with driving a truck without a muffler. Pvt. E. M. Ynke of the local substation of the state motor police charged the alleged violation as of 7:30 a. m. last Thursday in Chambersburg. A fine and costs of prosecution in the amount of \$12.25 were assessed by Magistrate Gilliam.

## Social Happenings

Phone Gettysburg 640 or Biglerville 8

Sgt. Paul G. Trostle, Camp Lee, Virginia, is spending a three-day leave with his parents, Mr. and Mrs. Harvey Trostle, York street. Sgt. Trostle expects to enter the Officers' Candidate School at Camp Lee on Saturday.

**PFC and Mrs. Charles R. Rosensteel** have returned to Columbus, Georgia, after spending a 10-day furlough at the home of Mr. and Mrs. Charles Rosensteel, 13 Steinwehr avenue, and with Mrs. Rosensteel's parents in Hanover. PFC Rosensteel is a machine gun instructor at Ft. Benning, Georgia.

**Robert B. Martin, cashier of the First National bank of Fairfield,** attended the dinner meeting of the officers and executive committee of Group 5 of the Pennsylvania Bankers' Association at the Penn-Harris hotel in Harrisburg on Wednesday evening.

**Mrs. Austin Lange, East Lincoln avenue,** and Mrs. Edwin H. Johnson, East Broadway, were visitors in Carlisle, Tuesday.

**Mrs. Donald P. McPherson, Jr.,** West Stevens street, returned Wednesday evening after a visit with her parents, Mr. and Mrs. Frederick K. Russell, New Haven, Connecticut.

**Mrs. Hope Morgan, Cashtown,** was a visitor in York, Wednesday.

**Mr. and Mrs. Wilbur Baker, East Lincoln avenue,** attended the funeral of Mr. Baker's brother, Irvin R. Baker, at Haddonfield, New Jersey, today.

**Troop 79, Boy Scouts of St. James Lutheran church,** held an Investiture service Tuesday evening at the church with parents of members as special guests. Included in the group of Tenderfoot Scouts who were invested were Paul Schmidt, Clyde Williams, Donald Dorson, Ray Hubbard and James Munshour. Badges were awarded to the boys by the Rev. Ralph R. Gresh, pastor of the church.

The evening's program was planned with the idea of giving the parents an idea of the things for which the Scouts stand and the things which they learn to do in becoming Scouts.

Present at the meeting were the scoutmaster, Daniel Bergstresser, his assistant, Philip Bergstresser, and Jack Cessna, District Scout commissioner.

**A business meeting of the Women's Society of Christian Service of the Methodist church** was held Tuesday evening at the home of Mrs. William Pensyl, Hanover street. Mrs. Frank Grider, the president, presided. Mrs. Pensyl gave her report as treasurer.

At the close of the business meeting a social hour was held with Miss Margaret McMillan and Mrs. Henry Albright assisting Mrs. Pensyl as hostess.

**The Rev. Ralph R. Gresh spent the day in Harrisburg** where he represented the West Pennsylvania conference of the United Lutheran church at a meeting of the committee on realignment of the synodical boundaries in Pennsylvania at Zion Lutheran church.

**The alumnae of the Gettysburg college chapter of the Delta Gamma sorority** met Wednesday evening at the home of Miss Mary Elizabeth Rasmussen with Miss Constance Weaver as the associate hostess.

**Mr. and Mrs. H. H. Thomas, York street,** are visiting their son-in-law and daughter, Mr. and Mrs. John Johnson, of Bristol.

**Mrs. Tate's class of the Methodist Sunday school** will meet next Tuesday evening at the home of Mrs. Henry Garvin, Reynolds avenue.

**The Rev. Ralph R. Gresh talked on "The Life of Abraham Lincoln"** at the weekly prayer service at St. James Lutheran church, Wednesday evening.

## Charge Man Used Card Of Deceased

Philadelphia, Feb. 11 (AP)—Told by Assistant U. S. Attorney Edward A. Kallick, "you're the first real draft dodger arrested in the country," Jerry Tugle, 28, was held in \$5,000 bail for the grand jury today after being accused by FBI agents of using the 4-F draft card of a dead man.

FBI agents said Tugle was ordered to report for induction three months ago, but after his friends gave him a farewell party, he disappeared. Agents said he obtained the Social Security and draft cards of Norman Holden, who died in October.

When arrested here yesterday, Tugle was working as a physician's house-boy.

## METER REVENUE DROPS

Pittsburgh, Feb. 11 (AP)—January receipts from Pittsburgh's parking meters reflected the sharp decline in the use of automobiles. The city took in \$6,912 during January, 1942, compared with \$4,181 last month, a 40 per cent drop.

## Weddings

**Ehrhart—Conti**

Miss Evelyn Conti, York, daughter of Mr. and Mrs. A. Ottavio Conti, Gettysburg R. 4, and John H. Ehrhart, son of Mrs. Harry Miller, Hanover, will be married this afternoon at 4 o'clock in the Evangelical Reformed seminary, Lancaster. Dr. Nevin C. Harner, instructor at the school, will officiate.

Miss Conti will be attired in a powder blue street length dress with matching accessories. Her flowers will be a shoulder corsage of orchids. Mrs. Jack Sherman, Philadelphia, who will attend the bride, will wear a light green silk print frock with accessories to match. She will have a corsage of white roses.

Honor as best man will be conferred upon Sgt. Harry C. Albert who, at the present time, is serving with the armed forces "somewhere in the Pacific."

Prior to the ceremony D. Harry Sykes, organist, will present a recital of bridal selections.

Miss Conti, who is a graduate of Gettysburg high school, class of 1937, also attended Shippensburg State Teachers' college. She is employed by Bells ladies wear, York.

Ehrhart, a graduate of York Springs high school, class of 1935, and of Gettysburg college, class of 1939, will complete his studies at the Lancaster seminary in May. He was employed for the past two summers by the York Ice Machinery company.

After a short wedding trip to Philadelphia, the couple will reside at 924 West Princess street, York.

**Taylor—Knapar**

Miss Mildred Odessa Knapar, daughter of Mr. and Mrs. John Knapar, Dallastown, R. 1, and Lt. (jg) Raymond A. Taylor, son of Mr. and Mrs. T. R. Taylor, York, were married Wednesday afternoon in the parsonage of the Fourth United Brethren church. The Rev. E. W. Leech performed the ceremony.

Lt. Taylor graduated from Gettysburg college in 1937.

## DEATHS

**John W. Kunkle**

John W. Kunkle, of Carlisle, died Wednesday morning. He was aged 73 years.

Surviving are his widow, Annie C. Kunkle; one son, John W., Jr., Carlisle Springs; three daughters, Mrs. Clarence Atkins, Carlisle; Mrs. Effie Gastley, Frederick, Md., and Mrs. Norman Ruppert, Hummelstown; 12 grandchildren and 13 great-grandchildren; two sisters and a brother, Mrs. Elsie Musser, Harrisburg, and Mrs. Mary Harman and William Kunkle, both of Gettysburg.

Services will be at 2 o'clock Saturday afternoon from the Lutz funeral home, Carlisle, where friends may call Friday night. Burial will be made in Kutz Church cemetery. Rev. Charles W. Sayers, Carlisle, will officiate.

**Mrs. George Billman**

The funeral of Mrs. Helen Billman, wife of George Billman, New York city, formerly of New Oxford, who died at her home Tuesday evening, was held in New Oxford at 8:30 o'clock this morning at the home of Cletus Billman.

Further obsequies were conducted in St. Mary's Catholic church, with the rector, the Rev. Robert D. Hartnett, officiating. Interment in St. Mary's Catholic cemetery.

**Mrs. H. W. Copenhaver**

Mrs. Annie Roberta Copenhaver, wife of Harry W. Copenhaver, died at 9:30 o'clock Wednesday morning at her home at 36 Carroll street, Westminster. She was a daughter of the late Amos and Sarah Peser Study. Besides her husband she leaves the following children: Mrs. Esther Moore, Wyndham, Iowa; Sarah, Elizabeth and Mildred, at home, and Lloyd Shuey, Littlestown; also a sister, Mrs. Jane Willett, Littlestown. The deceased was a lifelong member of St. Mary's Reformed church, Silver Run. Arrangements for the services have not been completed.

**Mrs. H. W. Copenhaver**

The firemen also received a letter of thanks from Mr. and Mrs. Charles Hemler, Gettysburg R. D., for the services of the firemen at the recent blaze which destroyed the Hemler home, north of here.

President James B. Aumen presided at the meeting with about 40 firemen in attendance. Refreshments were served in the kitchen at the engine house after the meeting.

## FIREMEN WILL

(Continued From Page 1)

England, Sergeant Charles Mayhall and Corporal Kenneth Tawney. Both men thanked the company for the Christmas gifts sent them.

**Letter of Thanks**

The firemen also received a letter of thanks from Mr. and Mrs. Charles Hemler, Gettysburg R. D., for the services of the firemen at the recent blaze which destroyed the Hemler home, north of here.

President James B. Aumen presided at the meeting with about 40 firemen in attendance. Refreshments were served in the kitchen at the engine house after the meeting.

## FARM PROPERTY SOLD

Hartman E. Guise has sold his farm in Straban township to Lizzie Bach, a retired school teacher from Washington, D. C. Possession will be given February 18. The sale was made by C. A. Helges, Buford avenue.

## HIGH STUDENTS TO TAKE COURSE ON FARM WORK

Pittsburgh, Feb. 11 (AP)—City boys, for the first time in the history of Pittsburgh public schools, will exchange their pens and pencils for rakes and hoes and their football togs for farm machinery.

Dr. Joseph C. Kradel, a graduate of the vocational agriculture department of Pennsylvania State college, is in charge of an experimental course at Westinghouse high school which he said had been organized as an outgrowth of War Gardens in World War I and the Victory Gardens of World War II.

The city bureau of parks has promised the instructor a plot of ground in Frick park for experimental purposes. The class will use the bureau's equipment and farm machinery.

**Open to All Students**  
Because of the need for trained farm workers, pupils in all city high schools who are interested in farming were permitted to enroll.

Doctor Kradel says that after the program gets under way, vocational agriculture will become a standard four-year course, with pupils being required to spend half their time on required academic subjects and half in agricultural work.

The course will range from the planning and theory of farming to fruit culture, care of machinery and landscape gardening, with each pupil annually being required to complete a project such as a home garden or poultry keeping, or electing to work on a farm approved by the Department of Vocational Agriculture.

Twenty-two of the 27 boys already enrolled expressed willingness to work on farms during the summer, Doctor Kradel reports.

"We can't expect to relieve the food situation for the nation, but we can help a little," he said.

## MILLION SINGLE MEN DEFERRED

Washington, Feb. 11 (AP)—More than a million single men of draft age—enough to fill more than a fourth of the requirements of the armed services for the rest of the year if they are physically fit—are now deferred on occupational grounds.

Selective service estimates, it was learned today, show some 1,000,000 single men in the 18-37 age bracket hold such deferments, divided as follows: 370,000 in Class A-2, which covers those in necessary civilian jobs essential to support of the war effort; 570,000 in Class 2-B, covering those holding essential jobs in industries directly related to the war effort, and 150,000 in Class 3-C, necessary men in agricultural pursuits.

Many of these men will land in the fighting forces as their deferments—which local boards must review within six months after granting them—are eliminated as other men or women replace them in their positions.

The House Military committee meanwhile called Selective Service Director Lewis B. Hershey as the first witness on a bill to give deferment priorities to men with children, regardless of occupation.

The measure sets up this order for induction:

Group 1, men without dependents.  
Group 2, unmarried men with secondary dependents, such as mothers, fathers, sisters or brothers.  
Group 3, married men without children.  
Group 4, married men with children.

Under its provisions, no man in a higher-numbered group could be drafted as long as men in lower-numbered groups were available within the same state. The effect would be to permit local boards to dip into the reserves of other boards within the state to fill quotas.

## Must Pay Deposit For Milk Bottles

Harrisburg, Feb. 11 (AP)—Buyers of milk in smaller Pennsylvania communities included in state wide milk marketing area 11 will have to pay a 5-cent bottle deposit or a 25-cent case or can deposit beginning March 1 under an order of the state Milk Control commission.

Area 11 comprises two-thirds of the state's area but includes only thinly settled regions in forty Pennsylvania counties.

The milk board said a deposit was ordered to insure the return of containers to avoid waste.

## Stranded Kitten Eludes Rescuer

Philadelphia, Feb. 11 (AP)—A kitten got stranded high in a tree and a policeman tried to lure her down with catcalls.

Then the Humane society tried catnip.

And nurses at a nearby hospital tried milk and food.

Two days later, anxious neighbors chipped in and hired a stepladder. He edged out onto the limb and reached—and the kitten jumped. She walked away unharmed.

## Upper Communities

Miss Lottie Dick, of Dillsburg, is spending a few days with Mr. and Mrs. N. C. Thomas, of Biglerville.

The Biglerville high school student body held a dance Wednesday evening in the school auditorium following the basketball game between Biglerville and Arendtsville.

Mrs. Smith, of Philadelphia, is a guest of her son and daughter-in-law, Mr. and Mrs. Dale Smith, of Biglerville.

Mrs. E. A. Meyer, Mrs. M. T. Dill, Mrs. John A. Hauser, Miss Patricia Meyer and Samuel Hauser, of Biglerville, were visitors to York Wednesday.

Mr. and Mrs. George Reisinger and Mr. and Mrs. Dale Smith, of Biglerville, spent Tuesday in Philadelphia.

The Bridgettes met Wednesday evening with Mrs. E. A. Meyer, of Biglerville.

Mr. and Mrs. Ivan Geiger and their two children visited friends in Biglerville Wednesday. Mr. Geiger, who is with the United States Coast Guard, was enroute from Florida to New London, Connecticut.

Mrs. L. Musselman Arnold and Mrs. Richard C. Walton, Biglerville, were visitors in York today.

PFC and Mrs. John W. Shellman spent Tuesday with the former's brother-in-law and sister, Mr. and Mrs. Merle G. Byers. Other visitors at the Byers home included Mr. and Mrs. George F. Shellenman, Jr., and son, Lloyd.

Pvt. Russell T. Hollabaugh, Fort McClellan, Alabama, is spending a 10-day furlough with his parents, Mr. and Mrs. Howard Hollabaugh, Aspers.

Mrs. Robert Burkhardt and son, Robert, Biglerville, are spending the week visiting relatives in Shippensburg.

## Bulletins

(Continued from Page 1)  
south Pacific, the Navy reported today.

Washington, Feb. 11 (AP)—The White House announced today that President Roosevelt would make a 20 minute radio speech beginning at 9:30 p. m. Eastern War Time tomorrow night in which he will discuss many subjects concerned with the foreign and home fronts.

Washington, Feb. 11 (AP)—Thurman W. Arnold, assistant district attorney general in charge of anti-trust prosecutions, was nominated by President Roosevelt today to be an Associate Justice of the United States Court of Appeals for the District of Columbia.

Washington, Feb. 11 (AP)—Major General Lewis B. Hershey today opposed legislation to require deferment of men with children until all single men and childless married men are drafted and said "the great majority of men" inducted in the next two or three months would be men with children.

London, Feb. 11 (AP)—The Germans started conscription last week of all physicians and surgeons in the Netherlands, for service on the Russian front, a London source with continental connections said today. Previously conscripted Dutch doctors have been assigned to service within Germany, he said.

London, Feb. 11 (AP)—The German-controlled Paris radio said today that a large fire broke out at Versailles and that one building was destroyed and that "damage is very serious."

## ADJOURN TRIAL UNTIL VICTORY

Washington, Feb. 11 (AP)—The Justice department announced today that the federal district court at Trenton, N. J., had issued an order adjourning the trial of anti-trust suit against General Electric company, Corning Glass Works and several other manufacturers of electric lamps for the duration of the war.

The action, similar to that taken in other anti-trust cases involving war producers, was based upon a certification by the secretaries of War and Navy to Attorney General Biddle that continuance of the trial, which has been in recess since August 13, "would seriously impair the war production of two of the principal defendants."

The order, issued by Judge Philip Forman, provides that the trial may be resumed whenever the secretaries of War and Navy agree that it no longer will interfere with war production.

The complaint, filed January 27, 1941, charged a combination to monopolize and restrain trade in the manufacture and sale of electric lamps.

## 3-Day Teachers' Strike May End

Pittsburgh, Feb. 11 (AP)—Fifty Rankin school teachers, on a sit-down strike for more pay, met today for a conference with the borough school board, the outcome of which board president August Hollan predicted would end the three-day-old strike.

The 1,500 pupils in Rankin's four schools were notified to report at the usual starting time this morning.

A five-hour meeting the teachers held yesterday in an attempt to draft their "minimum demands" ended when they decided to see what negotiations with the board would produce.

The instructors stopped teaching Tuesday after the board, claiming financial inability, refused their request for \$250-a-year pay increases retroactive to the beginning of the 1942-43 term.

## FINNS TO HOLD VOTE MONDAY

By WADE WERNER

Washington, Feb. 11 (AP)—What may be a turning-point in the Finnish situation lies just ahead.

The sign post is the presidential election in Finland next Monday, when 300 electors assemble in Helsinki to choose a chief executive.

The incumbent is President Risto Ryti, who was elected in 1940 to serve out the unexpired term of President Kyosti Kallio, who died soon after the Russo-Finnish winter war of 1939-40. In Finnish circles here it is taken for granted that Ryti will be retained.

However other candidates have been mentioned: Field Marshal Gustav Mannerheim, former Foreign Minister Vaino Tanner, and former Prime Minister J. K. Paasikivi. Tanner was foreign minister during the winter war and Paasikivi headed the delegation which signed the 1940 peace treaty in Moscow.

Officials here are watching developments, particularly with respect to any cabinet changes.

Should Prime Minister J. W. Rangell, who has been closely affiliated with the policy of collaborating with Germany against Russia, be succeeded by someone generally credited with seeking possible pathways to peace, there naturally would be renewed speculation abroad on possible separate peace with Russia.

Elimination of Foreign Minister Witting from the cabinet likewise would be widely interpreted as a bid for better relations with the United States, since Witting rightly or wrongly has been regarded as pro-German.

## Zivic Fights Negro Again On March 5th

New York, Feb. 11 (AP)—Pittsburgh's Fritz Zivic and Beau Jack, New York-recognized lightweight champion, will tangle again on March 5.

They were rematched yesterday, just five days after Jack out-pointed the former welterweight king in a ten-rounder, a questionable foul in the eighth apparently costing Zivic at least a draw.

The rematch, like the first, will be in Madison Square Garden.

## PLAN DOG RACING

Dover, Del., Feb. 11 (AP)—A bill to legalize dog racing is under consideration in the Delaware Legislature. The sponsor, Senator William D. Johnston of Dover, said it would replace revenue lost to the state if Delaware Park cancels its 1943 season because of war conditions.

## DISCUSS WATER

(Continued From Page 1)  
company property once changed hands for about \$125,000, they don't know that in the same transaction the purchasers also took over a \$200,000 mortgage, the Burgess asserted.

## Details of Plan

Considerable time was spent discussing details of the plan. Mr. Ware explained that the usual procedure in such transactions is to issue "A" and "B" bonds with the "B" bonds held in trust by the authority to insure that the management (Ware) makes the annual 10 per cent payment to the authority on the basis of the water company's receipts. The "B" bonds would not be retired until an adequate reserve fund had been built up to take their place.

While the whole plan is based upon a "freezing" of present water rates, Mr. Ware suggested that a 10 per cent prompt payment discount could be offered to users instead of a rate cut.

"Rates here are considerably below the average for privately owned water companies in this state and compare well with those of municipal plants," Ware said. "The average fire hydrant rental charge is \$44 while Gettysburg's rate is \$22.50. The residential rate here is close to the 32-cent state average for mu-

# Bullets Defeat Dickinson 38-31; Maroons Nose Out Freshmen 23-22

## PLANK, DAVIS LEAD BULLETS TO FIFTH WIN

Two freshmen, Davey Plank and Cy Davis, stole the show Wednesday evening when the revamped Gettysburg college courtmen defeated Dickinson here before a large crowd 38-31 for their fifth victory of the season.

Plank contributed 13 points while Davis was good for nine. George Dracha, playing with his finger in a splint, was also a steady performer while Gene Haas played commendably at his new center position. Parnell was unable to get the range of the basket but put up a nice floor game.

The first period was nip and tuck with Plank landing a trio of goals and Davis a long throw to put the Bullets out in front 8-7 at the end of the period.

Dickinson Spurs Schafmeister put the Red Devils ahead at the start of the second quarter with a one-handed shot and McGee added a long shot. A foul by Parnell and a pair by Plank tied the score at 11-all and goals by Dracha and Plank sent the Bullets ahead never to be headed. At half time the Bream-men held a 17-14 margin.

Successive goals starting the third quarter by Dracha, Davis, Parnell and Plank built up a lead for Gettysburg which was never seriously threatened during the remainder of the game. Collins, Dracha and Hopper sank shots at the end of the quarter which found the Bullets out in front 29-22.

Johnny Ehrhardt, sub forward, looped two long throws to open the final period and Davis contributed a single twin-pointer. Both teams were awarded a number of foul shots in the final minutes as the playing grew a little ragged.

Mules Next Foe The victory marked the fifth win as against four setbacks for the Bream-men.

On Saturday evening the Bullets will play a return game with Muhlenberg at Allentown.

The box score:

## PLAYOFF MARCH 30

Columbus, O., Feb. 10 (AP)—The National Collegiate Athletic association today set March 30 for playing its fifth annual basketball championship in Madison Square Garden, New York.

## Wampum Ace Sets Scoring Records

Wampum, Pa., Feb. 11 (AP)—The high school basketball team of this Lawrence county community has come within a shade of averaging 50 points per game in its last 19 games chiefly because Coy (Springy) Craine, its giant negro center, has been having a field day smashing scoring records of all descriptions.

The team has scored 949 points in the 19 games, an average of 49.9 a game. In the past four seasons Wampum teams coached by Butler (Red) Hennon have averaged 49 points per game.

Craine smashed his own WPIAL season scoring record by tallying 18 points Tuesday in Wampum's 56-43 victory over Union township to boost his 1943 total to 379 points. Last year the senior sharpshooter garnered 375 points.

Craine scored 150 points as a freshman and 187 as a sophomore. In a recent non-league game with Darlington, he dropped 48 points through the hoop, a record for this part of the state.

## SPORTS ROUNDUP

By HUGH FULLERTON, JR.

New York, Feb. 11 (AP)—If that Phils deal goes through—and we're beginning to be a bit doubtful—those amateur promoters who are dickering to buy the club will find they'll need a lot more dough than the \$25,000 apiece they're said to be putting up. . . . they'll still have to get hold of a lot of pro ball players somewhere, and that's expensive. Incidentally, unintentionally, for the whole deal. . . . he's the one who used to have to find backing for his Yankees pro football club once or twice a year and it was as backer of that now-dormant American league club that Bill Cox, a prime mover in the Phils' deal, got his first taste of sports promoting.

## HE HAD HIS PHIL

Most pointed wise-crack on the Phils' sale was Tim (World Telly) Cohane's suggestion that, by relinquishing his majority stock in the club, Gerry Nugent automatically qualified for the 1943 writers' plaque for meritorious service to the game.

## SCRAP COLLECTION

George Strickler, National Football league tub-thumper, has started a series of V-mail letters to former pro footballers in the armed forces overseas, giving them the sports news from home. . . . and Harry Markson, who recently busted into verse to extol the virtues of a couple of back-busters, now is quoting Shakespeare—"sweet are the uses of adversity"—to prove that Ray Robinson's defeat by Jake La Motta in Detroit wasn't so bad after all.

## TODAY'S GUEST STAR

Frank B. Ward, Youngstown (O.) Vindicator: "Big league baseball will be about 40 per cent weaker, but why bother? . . . Coffee is weaker, too, but we're glad to pay for it."

## POINTLESS STORY

At Union City, Tennessee, recently two negro girls' high school basketball teams found the score tied at the end of the regular playing time. . . . they played through three overtime periods without breaking the deadlock and then decided to call it quits. . . . The final score was Dunbar of Union City, 0; Mayfield, Kentucky, 0.

## SERVICE DEPT.

Sgt. Hugh Mulcahy, who used to pitch for the Phils, writes a sports column for the Fort Bragg, North Carolina, camp newspaper. . . . still the "losing pitcher." . . . Capt. Phil Miller, technical adviser at Las Vegas, New Mexico, aerial gunnery school, says that billiards and golf help train Army gunners because they teach co-ordination of hand and eye. Piano playing, he adds, does the same thing.

## PHILS TO GET PLAYERS FROM OTHER TEAMS

By SID FEDER  
New York, Feb. 11 (AP)—If and when the Phils get a new owner—and with all the fancy fumbling just now it looks more like "if" than "when"—virtually all National league clubs have promised to pitch in and help the loom's bottom outfit with playing material for 1943.

It was learned today that, in making the promise at the Tuesday meeting at which the league bought the Phils for re-sale, all but one of the club-owners agreed to lend a hand, even if the league is "stuck" with the Phils all season, in which case Bill Terry will be named to run the outfit.

Which isn't any funnier than the situation that finds the Phils still sitting in the league's lap today, with the sale to a private enterprise ap-

## PROBABLY NO NEARER COMPLETION THAN

when the loop bought almost the whole outfit from Gerry Nugent and other stockholders 48 hours ago.

## Many Reported Buyers

Although there were enough bids coming in to fill a bridge tournament, the six-man New York-Philadelphia syndicate originally mentioned still was out in front. But one of the six, Captain G. Herbert Walker, Jr., Philadelphia-New York broker now stationed at the Dayton (Ohio) Army Air field, said the deal was out of the question "just now."

From all reports, the rhubarb was over the demand of the "brave half dozen" for complete ownership of the 5,000 shares of Phils stock outstanding.

Most of the outstanding 315 shares are owned by William H. Harman, Philadelphia industrialist, and he and a group that includes John B. Kelly, the Philadelphia contractor and "muscle man," are bidding against the six-man syndicate.

Along with Captain Walker are Naval Lieutenant W. Potter Wear, son of the late Joseph W. Wear, chairman of the Davis Cup Tennis committee; Cummins Catherwood, one-time Philadelphia newspaper publisher; and Bill Cox, a lumber-

Slipping or Irritating  
Don't be embarrassed by loose false teeth slipping, dropping or wobbling when you eat, talk or laugh. Just sprinkle a little FASTEREET on your plates. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No gummy, sooty, pasty taste or feeling. It's alkaline (non-acid). Get FASTEREET at any drug store.

## HIGH QUINTET CAPTURES 8TH STRAIGHT WIN

Prof. Guile W. Lefever announced late today that at the request of Chambersburg officials the varsity game here Friday evening will be played at 7 o'clock. The request was made due to transportation problems involved. The scrub-Fairfield game will be played at 8 o'clock.

Gettysburg high school kept its unbeaten cage record untarnished Wednesday evening by nosing out the Gettysburg college freshmen on the Bullets court in a hotly contested game 23-22 and thereby ran its winning streak to eight straight games.

Close guarding was a feature of the game, not a single field goal resulting in the final period which found the Maroons blanked and the frosh netting a trio of fouls.

Rangy George Boehner and Ross Sachs played outstanding roles in the Maroon victory, Boehner taking the scoring honors with 14 points while Sachs blanked the high-scoring Hart without a point and contributed five tallies to the Maroon total.

## Score Fast

Most of the scoring was packed into the first period. Shortly after the game started Boehner made good on the second of two fouls. Hippensteel sent the frosh ahead with a one-handed stab. Herr, who played a nice game for the yearlings, tallied on a short toss and then Sachs dribbled through to score from beneath the hoop.

Frasso landed a shot from the side and Boehner was good for a goal beneath the hoop. Wickerham sent the Maroons ahead 7-6 with a one-hander but Feltz tallied from the foul line to tie the count. Herr got away for a short toss which was matched by another by Boehner. Boehner then landed a free throw while Frasso put the Little Bullets ahead 11-10 at the quarter with a one-handed toss.

Arnold, who replaced Frasso, tapped in a shot off the back board to open the second period. Sachs scored from beneath the hoop and March sank a long toss to send the Maroons ahead 14-13. Arnold put the frosh ahead again on a whirling top; and just before the half ended Boehner converted two free throws to give the Forney-men a 16-15 advantage at half time.

## Maroons Take Lead

Boehner and Arnold matched goals starting the third period and Sachs made good on a charity toss. Boehner tallied on a short chuck and Herr landed a long throw. Boehner again scored on a short throw to put the Maroons ahead 23-19 at the quarter.

Blanked without a point in the last period, the Maroons retained possession of the ball much of the time while a trio of fouls by Bacon cut the Maroons' margin to a slim point. Bacon's last foul was made with a minute of play remaining.

## BIGLERVILLE, ARENDTSTVILLE DIVIDE GAMES

Before a crowd of over 400 fans, Biglerville and Arendtville high schools divided a pair of basketball games played at Biglerville Wednesday evening.

Charley Smith's boys overcame a 20-13 lead by Biglerville in the first half to squeeze out a 29-27 verdict. The victory was the eighth straight for the unbeatable apple-pickers.

Bobby Allison was the individual star of the evening, tabbing 19 points for the victors. Arendtville lost Richard Allison at the half on fouls and P. Fissel at the end of the third period for similar reasons.

In the last seconds of play Arendtville led 28-27 and Walters was fouled but missed the throw. Biglerville called time but inasmuch as it was their fourth, the apple-pickers were awarded a free throw and Bob Allison converted, ending the game.

The Biglerville girls put on a strong finish after trailing 11-9 at half time to upset their rivals 29-24 in the preliminary game.

Scoring was fairly evenly divided among the victors while Shindeldecker bore the brunt of the Arendtville offense with 12 points.

## Worry of FALSE TEETH

## Slipping or Irritating

Don't be embarrassed by loose false teeth slipping, dropping or wobbling when you eat, talk or laugh. Just sprinkle a little FASTEREET on your plates. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No gummy, sooty, pasty taste or feeling. It's alkaline (non-acid). Get FASTEREET at any drug store.

## SPORT SHORTS

New York, Feb. 11 (AP)—Sergeant Joe Louis is going on the stage.

John Roxborough, co-manager, informed Mike Jacobs' office that the heavyweight champion had telephoned him that he had been ordered to report to the cast of "This Is the Army" on the west coast February 22.

Chicago, Feb. 11 (AP)—War Manpower Commissioner Paul V. McNutt is a busy man, but he says he'd gladly meet with representatives of baseball leagues and other professional sports to discuss their manpower woes. He spoke at a dinner meeting.

McNutt would consider the morale value of professional sports in determining whether they were essential occupations, he said in answer to a question.

## 57 Laborers End Two-Day Walkout

Pittsburgh, Feb. 11 (AP)—Seventy-five laborers at the Fort Pitt Malleable Iron company plant here ended a two-day walkout by agreeing to return to work today pending settlement of a wage dispute by the War Labor Board.

## TROJANS HERE FRIDAY NIGHT

Chambersburg high school's Trojans will be the next foe for Gettysburg high school and will be met Friday evening on the Maroons' court.

An Evening Thought

Be generous, and pleasant-tempered, and forgiving; even as God scatters favors over thee, do thou scatter over the people.—Saadi.

Just Folks

By Edgar A. Guest

COMPARISON

And if you think the room seems cold imagine what it's like in Iceland! Compared with such an Arctic spot ours is a comfortable, nice land. Or if you gudge your pleasures lost! In Tunis, where the foe advances The boys who hold the line for us have little time for shows and dances.

Perhaps you think the buses slow? We have not heard the boys complaining Who slog the dreary miles in mud, day after day, although it's raining. And is your slice of roast beef thin? Perhaps they cut it even thinner At battle stations now and then, if they can take the time for dinner.

We've lived a lot of easy years. Let's count them over and be grateful! Who wouldn't take a little less to give some soldier boy a plateful? Freedom however dearly bought is worth the price. Let no one doubt it! So let us with the easier share say not one grumbling word about it.

Today's Talk

By George Matthew Adams

DIVINE DISCONTENT

Satisfied people are usually very dull; at least they are far from being interesting. Discontent is always a healthy sign in an individual or a nation. There are two sorts of discontent, however—one destructive and one constructive. The latter is the only one that should interest anyone. Every advance in life can be traced to this constructive discontent. There is a great deal being written and spoken about "The Century of the Common Man." A study of history will prove how effective has been the discontent of the Common Man—and it has been to this that he has advanced and gained the high place that he enjoys today. And yet a higher place awaits him!

Discontent means growing pains—a reaching out for something better and happier. It means healthy change. A study of that book "Who's Who" will enlighten anyone. The story of those who have risen from humble origin is a continuous one. Dissatisfied with the small job—and a determination to rise higher. Discontent has built every free country and set it apart as an example to all others.

It has been said of the noted artist Alphonse Legros, the Frenchman, who died in 1911, that he destroyed more masterpieces than most artists ever create. Beautiful examples of his etched art exist in only a few copies because he destroyed so many of his plates. He was forever seeking to improve what he had previously done.

Recently a book was published with writings from authors who were asked to name what they considered their "best." It appeared as a difficult task, for so many felt that they had not yet produced their best!

Imagine what literature, science, the arts, or any branch of human endeavor, would be like if people were not discontented with what they had already achieved. It is a sure sign of progress if people are discontented—never satisfied.

Tomorrow Mr. Adams will talk on the subject: "The Pathway Of Pain."

Out Of The Past  
From the Files of the  
Star and Sentinel and  
The Gettysburg Times

TWENTY YEARS AGO  
X-Ray Discoverer Dead (By Associated Press) Berlin, Feb. 10.—Professor William Conrad Roentgen, discoverer of the Roentgen rays, popularly known as the X-ray, is dead at Munich.

Wed at Parsonage: Carl W. Singley, of Gettysburg R. D. 4, and Miss Pleeta Pay Taylor, of Arendtsville, were married Thursday afternoon at 3 o'clock at the home of the Rev. J. H. Brindle. Mr. Singley is a son of Mr. and Mrs. William Singley, Hamiltonban township. The bride is a daughter of Mr. and Mrs. Calvin Taylor, Arendtsville. After April 1, Mr. and Mrs. Singley will reside on a farm near Fairfield.

Bought Residence: Announcement has been made of the sale by Mr. and Mrs. John D. Lipsey, Jr., of their home on Baltimore street to Dr. Edgar A. Miller, of East Berlin. Dr. Miller expects to move to Gettysburg some time in the spring.

Waybright-Reifsnider: Howard Waybright, of near Gettysburg, and Miss Bertha Reifsnider, daughter of Mr. and Mrs. Lewis Reifsnider, were married Tuesday afternoon at the home of the bride in Taneytown. The bridegroom is a son of Mr. and Mrs. Oliver Waybright, Freedom township.

Raymond Reifsnider, as best man, Miss Lida Waybright, as maid of honor, and Wilbur Reifsnider and Mary Waybright, as ribbon bearers, made up the wedding party. Rev. Guy P. Bready, pastor of Grace Reformed church in Taneytown, performed the ceremony. After a wedding trip, Mr. and Mrs. Waybright will make their home on a farm near Gettysburg.

Former Student Honored: At Washington, Sunday, the Rev. Dr. W. C. Waltemyer, a former student here, was installed in the pulpit of the Church of the Epiphany. The Rev. Dr. A. R. Wentz assisted at the ceremony of installation in Washington.

Dr. H. L. Diehl Buried: The funeral of Dr. H. L. Diehl, who died on Friday, was held Monday morning from his late home on Baltimore street. Rev. Dr. A. E. Wagner officiated, assisted by Dr. J. A. Singmaster.

Pallbearers were Dr. J. P. Dalbey, John D. Lipsey, Sr., Abner S. Mills and I. N. Lightner, of Gettysburg, Edward Wright, Florida Dale, and Z. J. Peters, of Guernsey.

Lease Greenhouse: W. K. Stitley and son, John, have leased the A. F. Coulson greenhouse plant on Buford avenue and will start at once to make repairs on the plant.

Brindle-Kepner: At the home of the bridegroom's parents near town, Galen M. Brindle and Miss Esther A. Kepner, both of Gettysburg, were married at 6 o'clock on Saturday evening. The ceremony was performed by the bridegroom's father, Rev. J. H. Brindle. Following the marriage, supper was served at the home of the bride's parents, Mr. and Mrs. Homer V. Kepner, near town. They will reside in Gettysburg. Mr. Brindle is employed by the John C. Lower company.

Masons Now Own Their Own Home: Good Samaritan Lodge, Free and Accepted Masons, of Gettysburg, has purchased the Masonic building, Center Square, from Roy P. Funkhouser. The sale price was \$38,000.

The building was erected in 1898 by Samuel M. Bushman, a Mason, with the idea that some day the Good Samaritan lodge would acquire it.

On October 1, 1913, Mr. Bushman sold the property to Roy P. Funkhouser, who was then conducting a store on the first floor.

Light and Power Company Sold: Sale of the Hanover Power company, Hanover and McSherrystown Street Railway company and the Gettysburg Electric company by the United Service corporation, of Scranton, to the Metropolitan Edison company, of Reading, was announced by K. K. Garrett, of Hanover, manager of the local companies.

Hamlin Garland Lecture: Literary residents of the town and many students of Gettysburg college found an interested audience in a lecture at Brua chapel on Thursday morning when Hamlin Garland, of New York city, lectured on "Meetings with Famous American Authors."

Mr. Garland is himself a widely known author, being best known for his works on the history and romance of the middle west.

Personals: Miss Virginia Myers has returned to Baltimore after spending several months with her parents, Mr. and Mrs. Charles Myers, York street. After a few weeks in New York city, Miss Myers will be located at Staunton, Virginia, for the spring season.

Galen Kline, Gettysburg R. D. 5, has accepted a position in the H. B. Sefton barber shop, Baltimore street. Willis Eckert, recently an employee of the shop, quit his position last week.

A license to marry was issued Sat-

Martin Favors Counties Pay Unemployment Relief

WILL APPROVE  
FLAT FEE FOR  
AUTO LICENSES

Harrisburg, Feb. 11 (AP)—Governor Martin is considering a plan for counties to finance unemployment relief administration without boosting real estate levies but he declined today to outline the details.

He said the "only opposition" to making relief a county responsibility comes from sources that do not want new taxes placed upon real estate.

However, he revealed he plans use of revenues other than realty taxes to help counties assume relief financing but he withheld further comment.

Meanwhile he delegated nine government and legislative officials to study local relief administration in several eastern states and arranged for a conference on the matter in New York. They will report their findings to the Legislature.

To Satisfy People  
"We want to get this thing worked out so the people will want to come into Pennsylvania with new industry," the Governor stated.

He added that when the delegates return "we'll decide what is the best thing to do," explaining "I want done what the people want done."

He also said at a press conference yesterday he will approve two bills providing a flat \$10 fee for automobile registration and a reduction from \$26.50 to \$16.50 of half-ton commercial truck fees. Both bills are in the Senate after passing the House.

He estimated a \$10 automobile fee would save motorists \$2,000,000 annually and will reduce state administrative costs \$100,000 each year.

A spirited House debate occurred on the \$10 fee measure when Rep. James E. Lovett (D-Westmoreland) asked that the bill be given further study. He asserted it did not provide a fair reduction in the fees of some automobile owners.

Raid Violation Penalties  
The House also sent to the Senate a bill prescribing penalties for crimes committed during blackouts or air raids.

Rep. William R. McMillen (R-Indiana) in a brief speech scored a strike of school teachers in Rankin, Pa. He said "it is high time the Legislature serves notice on school teachers that strikes automatically eliminate them from the profession of teaching" and added he hopes "to see the day come" when striking will be cause for teachers' dismissal.

Before the Legislature adjourned until next Monday, two resolutions were submitted proposing constitutional amendments to provide: Authority to issue \$250,000,000 state bonds to compensate World War II veterans—Rep. E. M. Regan (D-Lackawanna); and exempt from tax the first \$5,000 valuation of homes—Senator John P. Cox (D-Allegheny).

urday at Hagerstown to John L. Plattenburg and Linrod Lee, who gave their addresses as Gettysburg. Born to Mr. and Mrs. F. Russell Smiley, at the Warner hospital, a daughter on Monday morning.

Flashes of Life

IT WAS LIKE THIS  
Kansas City (AP)—Investigator R. W. Eldridge was telling the court why Emanuel Glass was charged with carrying a policy book—used in gambling rackets. "His overcoat flapped in the wind, Judge. It turned back like this—" he grasped the coat—"and there was the book!" He paused. There in the same pocket was another book. Glass was fined \$50.

MORALE-SHAKER

Butte, Mont. (AP)—The twenty Crow Indians who were inducted into the Army may confuse the enemy a bit. Some of their names: Harry Rising Sun, Myers Black Eagle, George Real Bird, Sampson Bird In Ground, Jr., Joseph Mountain Pocket, Jr., Frank Grasshopper, Guy Old Bear, Peter Old Bull, Felix Well Known, George Little Light, Cyril Not Afraid, Frank Falls Down and Kelly Passes.

AND NO SOUP

Kansas City (AP)—George C. Shelton, 46, terminal railway worker, left in a streetcar shelter one of his two lunch boxes—the one that contained all \$65 worth of his teeth.

During the first World War, nitrate exports were the chief source of national income in Chile.

MINERS STRIKE  
HELD POSSIBLE

New York, Feb. 11 (AP)—The Iron Age said today apprehension already was being expressed in some quarters over a possible bituminous coal strike on April 1.

"Speculation has arisen over whether the CIO might move to reopen its contracts with leading steel companies, following indications of union dissatisfaction with the 'little steel' wage stabilization policy allowing 15 per cent pay increases between Jan. 1, 1941 and May 1, 1942," the trade magazine said.

Vulnerable spot in the coal situation, Iron Age said, would be western Pennsylvania and Ohio blast furnaces which depend wholly on beehive coke supplies for fuel.

"With today's high rate of steel output, even a short interruption at the mines would be dangerous," the publication continued.

"A direct push by high union officials toward revising steel industry wage contracts is not likely right at this time, in the opinion of informed observers, but agitation by local unionists can be expected."

"For the third successive week, U. S. Steel ingot production remained unchanged at 99.5 per cent of rated capacity."

Urges Flexible  
Price Of Meats

New York, Feb. 11 (AP)—A plan to permit raising or lowering of the meat price ceiling in keeping with changes in livestock prices has been proposed by Arthur E. Dennis, a representative of the Wholesale Meat and Provision Dealers association of Philadelphia.

At a meeting of eastern meat dealer representatives yesterday, Dennis said government officials opposed such a plan because it was too complicated.

"But," he added, "the government has no right to take a simple method and so put out of business thousands of honest business people."

"The OPA," he asserted, "should look into the cause of the black market rather than the result."

\$100,000 for Groceries

New Cumberland, Pa., Feb. 11 (AP)—The New Cumberland Army reception center has announced that its monthly bills for groceries alone varies from \$60,000 to \$100,000.

James Receives  
Pension For Life

Harrisburg, Feb. 11 (AP)—A \$309 monthly pension for life will be paid former governor Arthur H. James from the state retirement fund because of his 14 years of state service, the retirement board announced.

James qualified for payments under the "involuntary retirement" provision as he will not reach the optional retirement age of 60 until next July, Assistant Secretary Robert P. Mack said. He will receive his first pension check next month.

Others receiving pensions include: Col. Lynn G. Adams, Harrisburg, former commissioner of motor police,

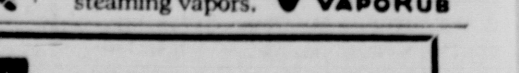

\$335 monthly; former Supreme court Justice William I. Schaffer, Haverford, \$492; Samuel L. Lewis, former lieutenant governor, \$289; and E. Arthur Sweeny, Greensburg, former welfare secretary, \$66. Under the system, state employees contribute varying sums to the retirement fund and the state matches their payments.

The largest ears of corn are grown in the Jalla valley of Mexico.

CHILDREN'S  
COLDS

FOR DIRECT RELIEF from misery of colds—coughing, phlegm, irritation, clogged upper air passages—rub throat, chest, and back with Vicks VapoRub. Its poultice-and-vapor action brings relief without dosing.

ALSO, FOR HEAD COLD "sniffles", melt a spoonful of VapoRub in hot water. Then have the child breathe in the steaming vapors.

## ADMINISTRATION TO SUPPORT ITS FARM POLICY

Washington, Feb. 11 (AP)—The administration drew a sharp line Wednesday against further advances in farm prices and thereby set the stage for a bitter struggle with powerful agricultural leaders in and out of Congress.

The speech of economic stabilization Director James F. Byrnes Tuesday night was interpreted on all sides as an administration declaration that it was ready to do battle if necessary to preserve its present farm and food price and production policies.

Those policies, in short, are designed to stabilize agricultural prices at a level called parity, by means of such devices as ceilings to keep prices from going too high and floors to keep them from going too low.

**Must Meet Extra Expenses**

There is one general exception to these policies. It involves crops needed in volume far in excess of past levels. The administration says it realizes that farmers need returns greater than parity to meet extra expenses involved in stepping up production of such crops. It would make up that extra expense in the form of what it calls benefit and incentive payments.

The farm payments, for which between \$500,000,000 and \$800,000,000 from the Treasury may be needed, would take the place of increases in ceiling prices—and hence in food prices—which otherwise would be necessary.

These policies are opposed by four major farm organizations and Congressmen from agricultural states. The farm groups are the American Farm Bureau Federation, the National Grange, the National Cooperative Milk Producers Federation.

These organizations recently announced that they had formed a "united front" to fight for higher farm prices. They contend the present shortage of farm labor reflects financial inability of farm operators to compete with city wages. They are pressing for legislation.

## GET WONDERFUL RELIEF For Burn and Itch of Simple P-I-L-E-S!!

Simple piles need not wrack and torture you with maddening itch, burn and irritation. Stearns' Pile Suppositories bring quick, welcome relief. Their 3-way medication means real comfort, reduces strain, helps tighten relaxed membranes, gently lubricates and softens. Protective and soothing. So easy to use. lation which would allow farm prices to advance at least 10 per cent before ceilings could be set.

## Oppose Payment Plan

Hinting that a presidential veto might be the fate of such legislation, Byrnes declared that a change in the farm parity formula "would not be in the interest of farmers."

The four farm organizations and some members of the congressional farm bloc also oppose the administration's incentive payment plan. They insist that farmers should be allowed to collect full and ample returns at the market place.

Byrnes indicated that the administration would insist upon appropriations for subsidy payments, asserting they would enable the government to increase production without increasing prices.

The differences between the administration and the farm organizations go back to the congressional campaign last fall. Republican successes were interpreted by some farm leaders as a farmer revolt against the administration's farm policies, particularly those affecting prices and production control.

The administration has the support of one large farm organization, the National Farmers' union, which is made up largely of farm tenants, workers and small operators.

The potato was introduced to Europe from South America by the Spaniards soon after 1580.

The first United States mint was established on April 2, 1792.

## MEAT WORKERS DENIED WAGE RAISE BY WLB

Washington, Feb. 11 (AP)—Setting the pace for the administration's newly enunciated stand against any general basic wage increases, the War Labor Board denied a general pay hike for 180,000 employees of the big four packing companies.

The board, acting a few hours before economic stabilization director James F. Byrnes outlined the government's anti-inflation program which calls for payment of overtime in war industries but no increase in wage scales, stood squarely behind its "little steel" formula. This formula permits an increase of 15 per cent over Jan. 1, 1941 levels but only to compensate for higher living costs.

The 7 to 4 decision, from which the labor members dissented, rejected the recommendation of a WLB mediation panel for a 5 1/2 cents an hour wage increase for employees of the Swift, Armour, Wilson and Cudahy packing companies.

**Cite Increases**  
The board declared that the average hourly wage of the packing company employees in January, 1941,

was 68 cents. Since then, the board said, it has increased to 80.2 cents, a gain of 17.2 per cent.

"Increases in the cost of living since Sept. 15, 1942, have understandably given concern and have raised doubts in many quarters about the possibility of effecting wage stabilization at present levels," the board said. "On the other hand, recent wage increases have given rise to doubts about the possibility of maintaining the existing price levels."

"The National War Labor Board feels that these increases point up the dangers of inflation so clearly as to necessitate the immediate exercise of coordinated efforts to prevent the start of another tragic race between prices and wages."

**PARENTS HEAR STRIKE STORY**

Pittsburgh, Feb. 11 (AP)—Rankin's 50 public school teachers, conducting a sitdown strike for more pay, carried their battle to the "home front" Wednesday through statements issued to the parents of their 1,500 pupils.

The strike started Tuesday when teachers called the roll, then simply sat down and refused to teach.

Superintendent Dennis J. Sullivan sent the pupils home and told the teachers they might as well go home, too, but they remained in the school buildings with the intention of spending each day there. Sullivan declared they were violating their contracts and would not be paid for days on strike.

**Promised Bonus**  
In their appeal to the parents for support, the teachers asserted "a bonus promised in May, 1942, and again in November, has never been given."

They said the school tax is the same as in neighboring districts, but that "Rankin teachers

are by far the lowest paid."

The teachers get a \$1,600-a-year maximum in high school—\$1,400 in the three grade schools. They asked a \$250-a-year boost.

Leo Koestman, counsel for the school board, said "it's a sad situation when teachers will stoop to such conduct to get a raise."

Vincent J. Russo, board secretary, said "if it was legal, they would get a raise."

"We just don't have the money to give them," the officials said.

**FOOT SPECIALIST DR. FRANK T. WATSON 107 E. Middle Street GETTYSBURG, PA.**

**Martin Concerned On Drafting Women**

Harrisburg, Feb. 11 (AP)—A congressional proposal to draft men and women for war work brought an immediate assertion from Governor Martin that he was "greatly concerned" by the move.

In telegrams to Pennsylvania's two United States senators and 33 congressmen he declared "our people must be free or our production will suffer."

"Free men and free women in Pennsylvania are now producing more than 25 per cent of the critical war items used by the United Nations," he added.

He asked the Washington lawmakers to "do everything possible to protect the rights of our people."

The Governor also urged all able-bodied persons between the ages of 18 and 60 years to aid in building up a supply of blood plasma at Red Cross blood donor centers.

## MEMBERSHIPS IN AP UNDER NEW RULING

New York, Feb. 11 (AP)—Members of The Associated Press have adopted an amendment to the by-laws requiring an applicant for membership in an occupied field to pay a sum equal to 10 per cent of the total amount of the regular assessments paid by members in that field since 1930.

The change in the financial requirements for admission into the non-profit cooperative was ratified Tuesday at a special meeting 1103 to 3. Assessments cover the cost to members of the gathering and disseminating of news by the organization.

The 10 per cent amendment was offered by the board of directors at the April, 1942, meeting of the members. Subsequently, during discussion on the board's proposal, an amendment, offered from the floor, was adopted saying that in no case should the momentary requirement for membership be less than three times the current regular assessment.

**Slight Changes**  
Reporting to the board at its January meeting this year, a special committee said that its study of the two requirements showed in many instances that there was no consistent relationship between them, while in others the two sums substantially were the same. The committee said the inconsistency was pronounced in the larger cities, and recommended to the board that the provision for three times the current annual assessments be eliminated.

The board approved the committee's recommendations by adopting the 10 per cent base and called yesterday's meeting for a vote on the proposal. The tabulation showed five members voting in person and 1,101 by written proxies.

By-laws require a two-thirds favorable vote of the membership for amending them, or 845 of the 1,267 members.

Commenting on the meeting, Associated Press President Robert McLean president of the Philadelphia Evening Bulletin, said that while the inconsistencies were pronounced in the cases of the larger cities "in many cases outside the larger metropolitan areas the variation was negligible."

### Find Substitute For Glycerine

Philadelphia, Feb. 11 (AP)—Scientists in the U. S. Department of Agriculture's regional experiment station here started out a year ago to develop a substitute for common table sugar.

They failed—but instead they have developed a solution which will free millions of pounds of glycerine annually for use in the manufacture of bombs and other war explosives.

In effect, the solution is a plain syrup, made with apples. It will be used in tobacco processing—substituting for glycerine. Glycerine has been used for years in tobacco manufacture because of its high humidifying qualities. The new syrup has the same qualities, and R. E. Lathrop, assistant director of the experiment station, says it is the only suitable substitute yet found.

### Many Favor Bill For Air School

Harrisburg, Feb. 11 (AP)—Senator Elmer J. Holland (D-Allegheny) said today he was "very much pleased with favorable comments received from many members" of the Republican majority on his bill to convert one of the State Teacher colleges into an aeronautical school.

"I've been given very hearty response from those interested in aviation who feel it's a step in the right direction," he said, adding he was "very hopeful" the proposal would receive favorable action by the Legislature.

### PUSH PROBE OF GASOLINE FRAUD

Philadelphia, Feb. 11 (AP)—The Office of Price Administration resumed its investigation of an alleged gasoline black market today following the arrest of four persons, two of them policemen, on charges of conspiracy to defraud the government. The alleged market involved stolen ration coupons for 200,000 gallons.

Held in \$2500 bail each for a federal grand jury are Patrolman John A. Crankshaw; his wife, Virginia, a ration board volunteer worker; Patrolman George W. Price; and Elmer K. Grinrod, an employee of a saw and munitions manufacturer.

State OPA Director Raymond Ashenfelter said that while agents were investigating four other suspects he had also ordered a complete examination of Ration Board No. 5 from whose office the stamps were stolen. Mrs. Crankshaw worked at this office.

The arrests followed a raid on the

Crankshaw home where OPA agents said they found stamps worth about 200,000 gallons of gasoline.

Investigator Cyril Pessolano testified at a hearing before U. S. Commissioner Norman J. Griffin that Mrs. Crankshaw admitted stealing the stamps and turning them over to Grinrod and Price. They in turn sold them, Pessolano said.

Both Crankshaw and Price have

### Ex-State Senator Trainer Expires

Philadelphia, Feb. 11 (AP)—Former state senator Joseph C. Trainer, 71, died at his home Wednesday following a heart attack.

He was stricken last night after been suspended by Director of Public Safety, James H. Malone.

attending the funeral of state representative Philip K. Stringer.

Trainer was a son of the late Edward Trainer, millionaire wholesale liquor dealer. He began his political career as lieutenant of the Vire republican organization in south Philadelphia and served three successive terms in the Legislature, beginning in 1930.

He is survived by six sons, Ray-

mond, Clement, Edward, Joseph, Frank and Robert, and a brother, Civil Service commissioner Henry J. Trainer. His wife, Mrs. Wilhelmina K. Trainer, died about four years ago.

There are five main types of corn: dent, flint, flour, sweet and pop.

Russian scientists have identified more than 8,000 varieties of corn.

# AUTOMOBILES May Be Used For ESSENTIAL SHOPPING

★ ★ ★ ★ ★

According to a statement made by the Office of Price Administration your automobile may be used for ESSENTIAL SHOPPING, provided that no other means of transportation are available. That is, shopping for Food in quantities impracticable for bus transportation; to carry home other essential purchases too large for buses, such as clothing, blankets, medicines, hardware, footwear and other required articles.

What rightfully constitutes essential shopping is a matter to be decided upon by oneself. Shopping to be done necessary to one's health and comfort should figure in the solution. The question of what is adequate alternative means of transportation must be decided much in the same way.

The O.P.A. states further that, an automobile may be used to get to a restaurant for essential eating when busses cannot serve.

The undersigned merchants are causing this advertisement to be published in an effort to clarify the matter of essential shopping. It is believed that many shoppers have been hesitant to use their automobiles for shopping, fearing that they might become involved in the act of unauthorized driving while shopping for essentials as stated above.

As an act of patriotism, it is suggested that you bring your neighbors along when shopping to save gas and tires. Your automobile must not be used for pleasure driving.

Letters testamentary under the last will and testament of George E. Ruhlman, late of Huntington Township, Adams County, Pennsylvania, having been granted to the undersigned, and estate indebted to said estate are requested to make payment, and those having claims to present the same without delay to: SARANDA M. RUHLMAN, York Springs, Pennsylvania, R. F. D. 21.

Or to her attorneys, Bolleit and Bolleit, First National Bank Building, Gettysburg, Pennsylvania

## Churchill

(Continued From Page 1)

Churchill predicted that "we shall be definitely better off as far as shipping is concerned at the end of 1943 than now."

## Stern Justice

Of the meeting Jan. 14 to 24 with Roosevelt, Churchill said:

"Our inflexible insistence on unconditional surrender does not mean that we shall stain our victorious arms by wrong and cruel treatment of the whole population, but justice must be done, and justice must be stern and implacable."

"No vestige of Nazi or Fascist power, no vestige of the Japanese war plotting machine will be left by us when the work is done, as it certainly will be."

"When I look at all that Russia is doing and the vast achievements of Soviet arms I should feel myself below the level of events if I were not sure in my heart and conscience that everything in human power is being done to bring British and American forces into action against the enemy with the utmost speed and energy and on the largest scale," Churchill said.

## To Help Turkey

Referring to his conference at Ankara with President Ismet Inonu of Turkey, Churchill said "it is no part of our policy to get Turkey into trouble." That, he said, "would be a disaster to Britain and to all the United Nations."

Churchill said, "I made no request to Turkey except to get her rearmament well organized."

He said that in landing in French north Africa the Americans and British lost less shipping than actually fell into their hands.

He disclosed that nearly a half million men had been successfully landed.

Churchill touched on the situation in Tunisia, commenting: "Before they reach the battlefield, the enemy lose one-quarter to one-third of everything they bring across the sea."

He said "it would pay us to lose two airplanes to one to wear down the German Air Force and draw it away from the Russian front—but actually the results are very nearly the other way around."

## Lauds Eisenhower

Churchill said Britain's air Vice Marshal Sir Arthur Tedder "becomes air commander in chief in the Mediterranean, responsible to Eisenhower for all air operations in his theater. He will control all air forces throughout the Middle East."

In tribute to Eisenhower, Churchill said "I have great confidence in him, I regard him as one of the finest men I ever met."

He added that he proposed to keep Iraq and Iran as a separate command, for which a new commander would be appointed shortly.

Near the end of his speech, the Prime Minister appealed "to all patriotic men on both sides of the Atlantic to stamp their feet on mischief makers and sowers of discord wherever they may be found and let the great machines roll into battle under the best possible conditions for our success."

## Grange Supports Ruml Tax Plan

Washington, Feb. 11 (AP)—A farm organization and a segment of organized labor were aligned today on opposite sides of the Ruml plan to cancel 1942 tax obligations in putting America's 44,000,000 federal income tax payers on a pay-as-you-go basis.

The National Grange threw its support behind the essential principle of the current payment proposal offered by Beardsley Ruml, chairman of the Federal Reserve bank of New York, which would advance the tax clock one year, by basing 1943 tax collections on 1942 income and not 1942 income.

## STREET LIGHTS OUT ON FIRST RAID WARNING

Harrisburg, Feb. 11 (AP)—In future blackouts, city street lights must be extinguished on the first audible signal under a third service command ruling announced by the State Defense Council.

Under the new warning system effective next Wednesday, the first, or blue, signal calls for a partial blackout, indicating that an enemy raid or test is probable. The second, or red, signal means that a raid or rehearsal is imminent and is the start of a complete blackout.

A. Boyd Hamilton, acting defense director, said it was first believed street lights would burn until the second signal was given, but that the Army had ruled otherwise.

Hamilton also announced the all clear signal will be announced by radio and other means, so that methods used for blue or red signals will not be repeated.

## Use Radio Service

Third service command plans tentatively call for all clear announcements over Philadelphia and Pittsburgh radio stations but the state council has recommended use of other Pennsylvania stations as well. The council's salvage committee announced that Pennsylvania has been awarded a plaque for its contribution to the war by the War Production Board.

Paul C. Cabot, WPB Salvage director, will present the plaque to Governor Martin on February 25 at 2 p. m.

Pennsylvania won the award by its collection of 780,453 tons of iron and steel scrap in the Salvage committee's campaign conducted last September and October in which newspapers, school children and agricultural organizations assisted.

## LUMBER SALVAGE CAMPAIGN URGED

Pittsburgh, Feb. 11 (AP)—E. G. Gavin of Chicago, managing editor of "The American Lumberman," trade journal, proposes a national used lumber salvage campaign which would include the razing of abandoned and undesirable frame buildings to provide building materials for home front construction and repairs.

In a speech last night before the Lumber Dealers association of western Pennsylvania, which concludes its two-day war conference today, Gavin said war production officials class lumber second only to steel as a critical war material.

He added that authoritative estimates show that about 70 per cent of the lumber in abandoned and useless structures could be salvaged, releasing new lumber exclusively for war purposes.

The association elected J. B. Miller of Greensburg president. About 250 manufacturers, wholesalers and retailers of lumber attended session.

All of Chile's 24 provinces, except three, freed from the Pacific ocean to the Andean boundary.

## No. 35 DEDUCTIONS FOR BAD DEBTS (PART I)

If a debt has become worthless during the year, the amount may, with certain exceptions, be taken as a deduction in arriving at net income for Federal income tax purposes. Bad debts occurring in course of trade or profession are shown in Schedule H to arrive at net profit (or loss) from business or profession; other bad debts are shown in item 16 of the return, Form 1040, and must be supported in all cases with a statement (in Schedule C) showing the circumstances. Losses from corporate securities with interest coupons or in registered form, which become worthless during the year, and which are capital assets, are shown in Schedule F.

In all cases of a deduction for bad debt, the explanation must show (a) of what the debt consisted, (b) name and family relationship, if any, of the debtor, (c) when the debt was created, (d) when it became due, (e) what efforts have been made to collect the debt, and (f) how it was determined to be worthless. A precise statement is required because of the many different transactions out of which the relationship of debtor and creditor may arise and the consequent many definitions of the word "debt."

In order to be an allowable deduction, a debt must become worthless within the year for which the

PORK LIVER 21¢ lb.

return is made. The determination of worthlessness is an important provision in establishing the allowability of the deduction. The taxpayer must take reasonable steps to determine that there is no probability of payment or collection, and must have prima facie evidence to prove that the debt has no value. If, in the exercise of sound business judgment, a taxpayer concludes, after making every reasonable effort to determine whether there is likelihood of recovery, that the debt is of no value, a deduction for such debt may be allowable. Court action, such as a legal judgment or adjudication in bankruptcy is not

necessary as proof that the debt is worthless, as indeed it frequently happens that a debt may be worthless before the debtor has been adjudged bankrupt.

A second important provision regarding deductibility for bad debts is that the deduction must be taken in the taxable year in which the debt becomes worthless. The fact that a debt is still held open on the books of the taxpayer does not mean that it has value, and the law does not permit a taxpayer to defer claiming a deductible allowance on that account, beyond the year in which it becomes worthless. A further requirement regarding

deductibility for bad debts is that a debt must have existed in fact and in law. If a debtor was not legally liable to the taxpayer, then there was no debt to become worthless. Advances to relatives to tide them over financial straits, made out of moral considerations and without understandings regarding repayment, are frequently held to be in the nature of a gift rather than a loan, and consequently no deduction would be allowable for nonpayment. However, when a loan is made to a relative in a bona fide business transaction a deduction may be allowed because of uncollectibility.

## HELD IN OPA COUPON FRAUD

Philadelphia, Feb. 11 (AP)—The wife of a Philadelphia policeman was arrested Tuesday night in connection with an alleged gasoline black market which the Office of Price Administration described as "one of the biggest yet uncovered in the east."

The woman, Mrs. Virginia Crankshaw, 37, former volunteer employee of a district ration board, was charged with defrauding the government by the illegal sale of gasoline rationing books. She was called before U.S. Commissioner Norman J. Griffin today for a hearing.

Her husband, John Crankshaw, was suspended from the police force pending disposal of the case, Police Inspector Herbert J. Kitchenman said.

Deputy Marshall Harry Cox said Crankshaw ran to the second floor of their home when he and five other officers entered on a search warrant.

OPA agents who participated said they found \$2,000 in bills and a quantity of rationbooks in a second-floor bedroom. A package containing coupons good for 212.272 gallons was found later on a lawn of the home.

Elmer K. Grinrod, 35, also was arrested in the case, Cox said. He was called before Griffin on a conspiracy charge.

## JAPS OBSERVE FESTIVAL IN FOREIGN LANDS

By GLENN BABB

The Japanese are celebrating their national holiday today on the greatest scale in their history. This is Kigenetsu, the festival of the founding of the empire, and celebrations are being held in scores of cities throughout the lands overrun in the last 14 months. A great effort is being made to acquaint millions of Asiatics newly come under the rule of the son of heaven with the myth of the divine origin of the empire, to impress them with that empire's might and convince them of the blessings of coming within its orbit.

The Tokyo radio has announced an ambitious program for these observances in the conquered territories, in Malaya, Burma, Java, Borneo, Sumatra, the Philippines, in every land into which aggression has carried the rising sun banner. Little is said, however, of the festivities in the homeland.

### Sober Festival

There, the indications are, it is sober festival, certainly much less joyous than last year.

This festival celebrates the myth which has had much to do with making the Japanese a warlike, rapacious people, a scourge to half the world. It is held to be the anniversary of the date, 2,643 years ago, on which Jimmu Tenno, great-great grandson of the sun goddess, Amaterasu, established the empire of Japan.

The Japanese masses believe that Hirohito, a dumpy, stooped, myopic, rather pathetic little figure in Western eyes, is the 124th sovereign in a line which has come unbroken from Jimmu. They are taught that the whole race is descended from Amaterasu, that it has a mission to extend the blessings of her rule to other lands.

### Must Destroy Myth

When such an idea is sold to 75,000,000 people, hard-working, docile, capable of fanatical self-sacrifice and courage in the face of the enemy and when this psychological weapon falls into the hands of a warrior caste bent on conquest, a great danger has been let loose. This has happened in Asia, just as something similar has happened in Europe.

Conquest of Japan involves more than the recovery of territories like Guadalcanal and Papua, more than the destruction of armies and navies, more even than invasion of the Japanese homeland. Occidentals who know Japan believe that unless it also destroys the myth of Jimmu and its corollary beliefs Japan will continue to be an outlaw among the nations.

## ME CONSTIPATED? NO LONGER!

Boy, how fed up I used to get with myself! I just wasn't any good.

I used to use medicinal laxatives. But my constipation came back just the same. Then I found out why—it was due to lack of "bulk" in my diet!

So—I began eating KELL-LOG'S ALL-BRAN regularly and drinking plenty of water. That swell cereal got right at the cause of my constipation and corrected it! It helped me "Join the Regulars." Maybe it could help you, too. Ask for it at your grocer's today. ALL-BRAN is made by Kellogg's in Battle Creek, Michigan.

It pays to know your grocer!

A good dependable Grocer - with a high sense of personal obligation to his customers is the kind of Grocer you ought to know.

We are having our supply problems like any other store and we cannot get merchandise where there's none to be had - but our intimate knowledge of our customers' needs permits a higher degree of satisfactory service than you will likely find in the glittering Food Palaces where every face looks alike - and there is no atmosphere of friendly helpfulness individually.

Personal service - the keystone of our business - at last comes into its own.
